July 31, 2012

Dear Indiana State Police Retiree:

The department is conducting the 2012 retiree firearms qualifications in accordance with federal law 18 U.S.C. 926C (H.R. 218) and IC 35-47-15. We are providing you with the information below to allow you the opportunity, if you desire, to qualify with a handgun.

Federal law provides an exemption to qualified retired law enforcement officers from state laws that require a permit to carry a concealed handgun. However, to be exempt, retired officers must complete an **annual** firearms qualification program that meets state standards or the standards of the agency from which they retired. Once qualified, retired officers are permitted to carry a concealed handgun in all 50 states, as well as all U.S. territories and possessions, without regard to state or local permit requirements.

This qualification program is not mandatory for retirees. Retirees in possession of an Indiana license to carry a handgun may continue to carry a concealed handgun in Indiana without completing the retiree handgun qualification program and would be permitted to carry a handgun in another state, territory, or possession that honors Indiana's permits. This Indiana license to carry a handgun issued to a law enforcement officer upon retirement is a lifetime license.

The department is conducting retiree firearms qualifications on the following dates and at the following locations:

- October 4, 5, and 6, 2012 in the Bremen District at the Nappanee Police Department indoor range located at 301 West Lincoln Street, Nappanee. The contact person for the Bremen location is First Sergeant Gary Coffie at (800) 552-2959 or (574) 546-4900.
- October 11, 12, and 13, 2012 in the Sellersburg District at the Clark County Law Enforcement Training Center located 4.6 miles east of SR 265 on SR 62. The old Charlestown Post will be on the north side of SR 62 just prior to Gate 11. Turn south at Gate 11, go straight to range (Clark County Law Enforcement Training Center) on left. The contact person for the Sellersburg location is Corporal Steve Didat at (800) 872-6743 or (812) 246-5424.

INTEGRITY • SERVICE • PROFESSIONALISM

- October 25, 26, and 27, 2012 at the Pendleton Post Range located at 9022 South SR 67, just south of Pendleton. The contact person for the Pendleton location is First Sergeant Tim Kaiser at (800) 527-4752 or (765) 778-2121.

Each location will have six (6) sessions per day with ten (10) slots available per session. The morning sessions are at 0800, 0900, and 1000 hours and the afternoon sessions are at 1300, 1400, and 1500 hours. If you intend to qualify with more than one weapon, you must schedule additional sessions. Sign-up is on a first-come, first-serve basis.

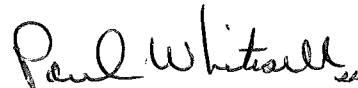

IC 35-47-15 states that the retired law enforcement officer bears the expenses associated with obtaining evidence of qualifying. To that effect, the department is charging a \$10.00 Qualification Application Fee for **each** firearm with which you intend to qualify. **Payment for the application fee must be made by money order made out to the Indiana State Police.** Payment will be made by delivering the money order(s) to the department firearms instructor at the time of qualification.

The attached Retiree Firearms Qualification Instruction Sheet provides important information that you must review and comply with for qualifications. Firearms safety during the qualification sessions is a priority and all safety precautions will be strictly adhered to. Violations of safety guidelines will result in the termination of your qualification attempt.

Questions concerning this information should be directed to the Training Division's Firearms Program Coordinator Sergeant Christopher Lambert at (800) 527-4752 or (765) 778-9781.

I hope all is going well for you and look forward to seeing you again soon. Your service is well remembered and much appreciated.

Respectfully,

INDIANA STATE POLICE  
RETIREE QUALIFICATION  
INSTRUCTION SHEET

- Safety during the qualifications sessions will be a priority. All range safety guidelines will be strictly adhered to. Violations will result in the termination of your qualification attempt.
- Report to the Firing Range at least 15 minutes prior to your scheduled qualification time.
- All weapons must be unloaded prior to arrival at the range. You will be required to provide all ammunition needed to qualify. The qualification course requires the firing of 25 rounds.
- Upon arrival at the range, report to the range safety officer for registration. You must present your ISP retiree identification and submit your \$10.00 Qualification Application fee. Only money orders made out to "Indiana State Police" will be accepted for payment.
- The range safety officer will inspect your weapon to ensure it is unloaded and in serviceable condition. Anyone with a weapon that is not in serviceable condition will not be permitted to qualify with that weapon.
- The range safety officer will provide each person qualifying with ear and eye protection equipment that must be worn during qualification.
- The range safety officer will review the qualifications course instructions with everyone prior to moving to the line to shoot. When on the shooting line the instructions will be repeated for each stage of fire.
- There will be no time allowed for practice.
- You will be provided with two opportunities to qualify each weapon.
- The firearms instructors will not provide any remedial training.
- Appropriate range clothing will be worn on the range.
- Qualifications will take place regardless of inclement weather - it is recommended you bring appropriate clothing in the event of inclement weather.
- No additional qualification dates will be provided.
- No guests will be permitted on the range.

## **RETIREE QUALIFICATION COURSE**

The Non-issued Back-up Handgun Qualification Course is designed to test an officer's skill with a non-issued handgun. This same course will be used to qualify Retirees.
